## **Enclosure 1 Special Requirements and Rules apply to Commercial Food Vendors, Not for Profit Food Vendors, Amusement & Entertainment Vendors**

Our mandatory Food Vendor participation program consists of the non-profit organization completing their food vendor application with the Pumpkin Fest Committee and paying the \$250.00 booth fee. They then will, by written contract, commit to a participating Commercial Food Vendor who will set up operations in the prepaid booth. The Commercial Food Vendor is offered menu rights during Pumpkin Fest in order to avoid duplicate food offerings by multiple vendors; creating greater profits for the vendor. In return the Commercial Vendor will donate 20% of gross sales made during Pumpkin Fest back to the sponsoring non-profit organization. The commercial food vendor will also be required to display the name of the partnered non-profit organization. Pumpkin Fest proceeds will be donated to them. This sign will be provided by the non-profit group

If you elect not to participate in the program, your application will be denied. All food vendors are required to participate in the program. You can be linked to the Pumpkin Fest Committee to contract the 20% of gross sales if there is no community organization partner. A minimum amount of \$250.00 will be collected when partnered with the Pumpkin Fest Committee. We are encouraging the participation in this

program to provide increased profits for all organizations involved.
